WELCOME TO OUR 2012 NDMX COMMITTEE.

Welcome to our 2012 NDMX committee. One of us will be on duty to open the track every Saturday, Sunday and Thursdays during Daylight Savings.

Our committee members have committed to adhering to and enforcing all club rules respectfully, treating all members respectfully and carrying out all duties assigned to them. Our volunteer committee members will sometimes be kept very busy in the canteen with memberships, new member enquiries, serving food and drink and keeping an eye on the track. If you see how busy we are, please be patient and if need be offer assistance as it's always welcome! All general members who attend their rostered track duty will be guided by their committee member on duty. Please ask the committee member on duty if you are unsure of anything. All committee members on duty will be wearing an orange fluoro vest
